For your information and consideration

If there is any real prospect of legisla-
tion of this type (for which there is
precedent) it would be most unfair
and unfortunate that it not be extended
at least to all personnel in the CIA
Retirement System.

If this were done, it would go a long
way toward solving the CIA manpower
management problem. Instead of
extending these benefits entirely at
the option of the individual, I would
propose that authority to extend the
benefit be vested in the Director, thus
giving the Agency the power to offer
the incentive only to officers it wishes
to retire earlier than they otherwise
might.
